Greetings,

This summer, I am looking to take part in a virtual professional development opportunity presented by Elevate Your Classroom. This professional development will allow me to grow my teaching by learning from renowned educator-presenters from across the country. I will have access to over 30 hours of learning and access for 90 days (June 1-August 31). All sessions are grounded in evidence-based strategies with a practitioner's lens, and cover all content areas, classroom management, SEL, science of reading, and much more. In addition, Elevate Your Classroom is specifically geared toward PreK-2nd grade teachers, so the content can immediately be brought back to my classroom. The Early Bird Virtual Conference Pass is only \$40 until March 31, 2025, then it goes up to \$80 through April 30, \$100 through May 31, and \$125 from June 1-5. I understand the investment you would be making by helping me attend this virtual conference, but I hope to pay it forward by sharing my learning with the staff to start off the year. Please let me know if you have any questions about it, and you can also learn more by visiting elevateyourclassroom.com.

Sincerely,
